Northfield Framing & Fine Art Printing is located in the heart of downtown Northfield at 13 Bridge Square. The on-line location is at www.NorthfieldFraming.com.

"We are very excited about joining the Northfield community" said Valerie Becker, co-founder of Red Wing Framing & Fine Art Printing, "We have been planning this for several years and the timing is right. The idea is to serve a wider customer base in southeastern Minnesota and Northfield was a missing piece."

"Five years ago we expanded into the Rochester market and Northfield will now be our third location. All of the locations are extensions of the Red Wing shop, yet with a very local focus."

Red Wing Framing & Fine Art Printing was established in 2002 and provides museum-level custom framing and large format fine-art printing. Clients include commercial, hospitality, health care and individual customers.

Northfield Framing & Fine Art Printing will open on July 1st, 2019.
